

Waylon Peng

Computer Science student at the University of California, Santa Cruz.

EXPERIENCE

Google, Austin, TX — *Intern*

JUNE 2019 - SEPTEMBER 2019

- Designed procedures for analyzing string assets in Google Play services Android binaries.
- Trained machine learning model to predict translated string sizes.
- Integrated model into binary size tracking tooling for Google Play services developers.

Mindspark Summer, Sunnyvale, CA — *Instructor*

JULY 2018 - AUGUST 2018

- Taught middle school students introductory Java using Eclipse
- Taught middle/high school students game design principles using Processing library

Dept. of Navy SEAP, Naval Postgraduate School — *Intern*

JUNE 2017 - AUGUST 2017

- Designed procedures to manufacture and dope titania nanotubes
- Constructed apparatus to characterize photoelectrochemical properties of fabricated nanotube arrays
- Compiled, analyzed, and presented experimental data

UCLA David Geffen School of Medicine, UCLA — *Intern*

JULY 2016 - AUGUST 2016

- Created CUDA models of human cardiac cells to be run on university GPU clusters
- Simulated and characterized biochemical conditions found in Long Q-T Syndrome patients

PROJECTS

emilia

Interactive utility bot for the Discord chat platform, with administrative web dashboard. Uses the discord.js API wrapper, PostgreSQL with TypeORM, React, Express, and Bootstrap. Currently a work-in-progress.

waylonpeng.com

Personal website built using Jekyll and hosted on Github Pages.

Mission Possible

Rube Goldberg-like machine with sensor-driven events controlled by Arduino and Raspberry Pi units. Construction involved designing circuits to utilise sensors, developing scripts to process sensor data, and manual calibration of sensors using collected data.

EDUCATION

University of California, Santa Cruz

SEPT 2018 - JUNE 2022

Sophomore, Class of 2022,
Computer Science major,
Mathematics minor.

Mission San Jose High School, Fremont, CA

SEPT 2014 - JUNE 2018

SKILLS

Presented in order of familiarity.

Languages - Python, HTML, CSS, Java, C++, Javascript

Databases - PostgreSQL, SQLite

Misc. - Linux/Unix, Git, Arduino/Raspberry Pi

COURSEWORK

Ohlone College - Introduction to C++, Introduction to Java, Discrete Structures

UC Santa Cruz - Applied Discrete Mathematics; Introduction to Data Structures; Vector Calculus; Linear Algebra; Computer Systems and Asm; Algorithms and Abstract Data Types
